PROGRAM INFORMATION

- Parents, you and your child will love our After School TaeKwonDo Program.
- Our rates are comparable to other after school programs AND you receive TaeKwonDo instruction.
- When you enroll your child in our After School Program, we'll provide more than quality child care, we'll teach your child TaeKwonDo.
- Studies have shown that TaeKwonDo training can help your child improve confidence and develop leadership skills necessary to succeed in life.
- If you're like most parents, you're probably on a budget. Our program makes it easy to give your child TWO activities for the price of one.

TAEKWONDO

Our TaeKwonDo program offers daily core lessons. These lessons develop self-esteem and confidence, teach discipline and self-control, help channel aggressive energy, develop lifetime self-defense skills, are fun, and encourage positive work and academic values. Students are continually asked to achieve new levels both physically and emotionally. Our environment, though demanding, is one of achievement through individual growth. By focusing and working hard, our students realize that they can be highly successful in TaeKwonDo.
